Missions

SEPTEMBER MONTHLY MISSION GIVING

Guatemala Clinicas Salvatore. The mission giving for September will support the completion of the second level of the clinic, now covered with a roof (see photos in the display case near the patio.) since the first level of the dinic was completed last September, over 2,000 patients have been examined at the dinic by Dr. Estrada and his nurses. Pastor Ruffin and Frank Ebetino will take medicines and supplies to the clinic in October. Ruffin will preach and present your gifts and a plaque from Venice Presbyterian Church. The plaque will be permanently displayed at the dinic to recognize our Church's support and giving to this most needed mission project.

SOUTH COUNTY FOOD PANTRY

Summer is the most challenging time of the year for our food pantry as many of our folks who donate food are away. At the same time, many folks who work in service jobs here are going to the food pantry for assistance. Your continued support throughout this time is vital, and deeply appreciated.

SERVICE FOR MISSIONS

Service for Missions meets Tuesday, September 14 at 9 a.m. in Fellowship Hall. Come on out and bring your bag lunch. **Need a walker tote bag?** Member Bill Weston has created a beautiful, practical 4-deep pocket tote to carry a Bible or newspaper. Great as a gift for men or women. A donation of \$7 would defray material cost. Call Julia, 408-8705 or Dorothy, 486-5253 to order.

For additional information on Missions at VPC, check out our Short Term Mission Brochure. Copies are available at our Kiosk near the Information Center.
